A 40% non-refundable advance payment is required before the project begins. Work will commence only after the advance payment is received.

2.2 Final Payment

The remaining 60% must be paid within three (3) days after the project deadline or completion. Late payments may result in project suspension or additional charges.

If the Client cancels the project after work has started, no refunds will be issued.

If the project is canceled before completion, the Company retains all rights to the work done, and the Client cannot use any part of it.

3. Project Delivery & Revisions

We will provide an estimated completion date based on the agreed project scope.

The Client is entitled to a specific number of revisions as per the project agreement. Additional revisions will incur extra costs.
